

Kansas 4-H Project Award Video

Youth will submit each Interview Video, by uploading to YouTube and entering the YouTube link to your Project Video(s). Videos should be 3-5 minutes in length. You may upload your video on a private YouTube channel, but please make sure that a judge can access your private link.

Label each link as follows: Project- URL Link. Example: Entomology- www.youtubelink.com

Please refer to the Kansas 4-H Project Award Video Evaluation for scoring guidance. Your video should be creative, unique, and compliment your Cover Letter, Project Resume and Project Report Form.

You may also use the following prompts when creating your video.

- ❁ Share why you would be an ideal recipient of a Kansas 4-H Project Award
- ❁ What do you see as your big successes or how you overcame challenges in exploring the project area?
- ❁ Share evidence of project mastery, i.e. skills gained, knowledge learned, difficult techniques, etc.
- ❁ Provide examples of how you have developed and practiced leadership skills within the project area.
- ❁ Provide examples of how you have engaged in civic engagement activities related to this project area. How has it impacted your personal growth?
- ❁ Explain how your 4-H experiences in this project area have helped you reach your personal goals and could benefit your future education or career plans?
