4-H Dog Care and Training Judges Certification, Recertification and Project Leader Training

The Dog Care and Training Action Team is conducting a workshop to better prepare leaders and judges on the standards of 4-H showmanship, obedience, rally obedience and agility. Our new format will allow for training in individual or all phases. Judges may certify in all phases or re-certify in specific phases. The training is available to anyone interested in the 4-H Dog Care and Training project as observers (members 15 or older and project leaders) and potential dog show judges who will receive an opportunity to actually score classes and test their knowledge via a written test.

A certified 4-H Dog Show judge will pass a written quiz and judging exercise for each discipline (showmanship, obedience, rally obedience, agility) in which they wish to certify. **If it has been five years or longer since you were certified, we strongly encourage you to recertify! Those longer than 5 years will be removed from the list following this training if not re-certified!**

The workshop will be Jan. 31-Feb. 2, 2014 at the Sedgwick County Extension Center, 21st and Ridge Road, Wichita, KS.
