Conference Objectives

- **Practice** – Engage youth in hands-on educational activities in which they explore, practice and master existing and newly developed skills/knowledge in civic engagement, civic education, and personal development.
- **Apply** – Facilitate direct opportunities for youth to apply what was learned in real world experiences in which they develop leadership skills using their voices, work, ideas and/or behavior to make a difference in their community, country and world.

In addition, All Youth Council Members (Council Representatives and National 4-H Conference Delegates) will be required to:

Attend meetings and conference calls regularly. Youth Council will have a full year of activities and will meet about 4-6 times throughout the year in person with a monthly Zoom Meeting as well. Additional work outside of meetings is necessary and expected. More than 3 absences may be grounds for dismissal from the Council. Some meetings will be via Zoom and require a device and internet access.

Youth Council will get acquainted, elect officers, and make goals and plans for the coming year.
