

SHUTTERBUG AT HAYS

October 14, 2017

9am-Noon

- 9:00-9:15am Registration
- 9:15-9:45 Opening Remarks
- 10:00-Noon Workshops

Workshops offered at sites around the K-State Research Center Farm. In case of bad weather, workshops will be inside. Questions? Call Christy Befort at 785-222-3388 or 785-635-4368.

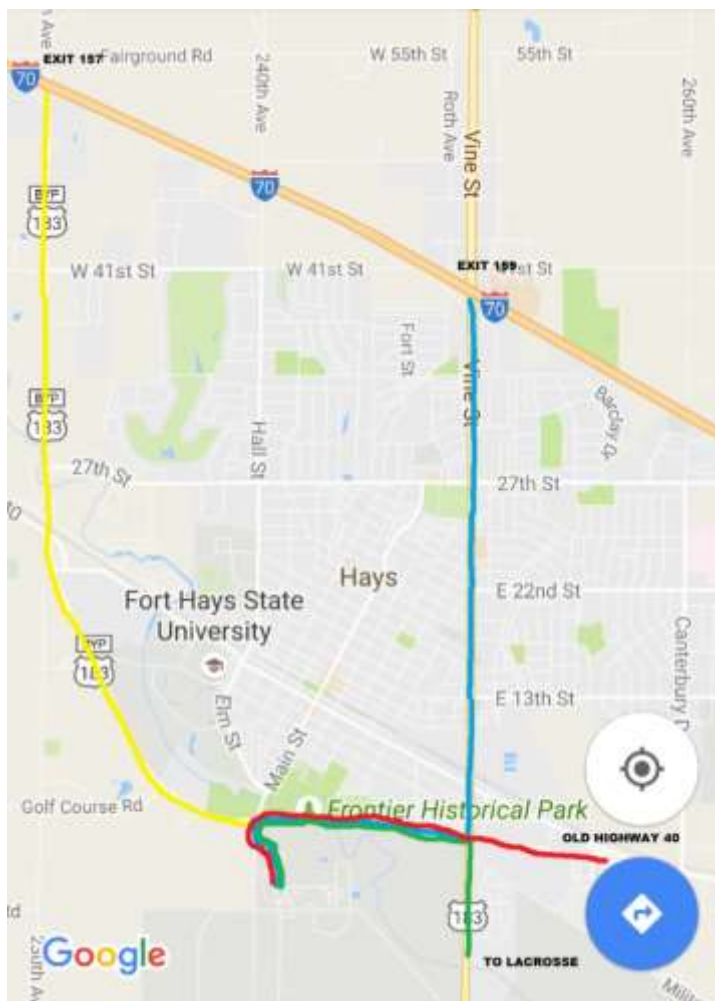

Registration not required. No Fees.

Other places to take pictures:

- Historic Fort Hays
- Churches: Antonino, Schoenchen, Liebenthal, Victoria, Walker
- Limestone Gallery: 107 ½ W. 6th, Hays
- Sternburg Museum & Nature Trail

Visitors are always welcome to visit the Stone Gallery. You will typically find Pete at work in his studio between 10 am to 4 pm Monday through Saturday or outside working on another project in progress. Guided group tours are available with advance notice.

Citizens of Hays take pride in his creativity and ability as an artist and are glad he chose to stay in Hays to share his talent and work. We invite you to take a driving tour of Hays and enjoy the many sculptures he has created.
