Again this year we will have a first year shooter division in each discipline

NOTE: This division is for the FIRST year a shooter is *enrolled* in a discipline, NOT the first time they are eligible to attend a match in your county. Not all counties allow match attendance the first year of shooting, so this division WOULD NOT apply to your shooters. This also does not apply to pistol shooters who are moving from junior to senior, ONLY seniors that have never shot as juniors and are enrolled this year in pistol for the first time.

There will be a concession stand run by the Sedgwick County Super Shooters' families. We will also be selling tickets to win a .22 bolt action long rifle!!!
