#### Judging Section-Quality Judging

Directions: There are eight classes to judge. Two classes each of vegetables, flowers & foliage, fruit/nuts and ornamentals/shrubs.

Be sure to write in the proper row for the class you are judging. There are four specimens in each class, and these are lettered A,B,C and D. Decide in which order you wish to place the specimens and write that placing starting from best to worst in the four boxes under the heading marked "Placing".
