Due to the Rabbit Hemorrhagic Disease, your feedback is requested to help us make recommendations about the Kansas State Fair 4-H Rabbit Show. One survey per family.

In a typical year would your family bring 4-H Rabbits to exhibit at the Kansas State Fair?

- Yes
- Maybe
- No

Because you answered yes, please estimate how many total rabbits your family would typically bring to the Kansas State Fair?

How many years has your family exhibited 4-H Rabbits at the Kansas State Fair?

How many children in your family would be State Fair 4-H Rabbit Show Exhibitors?

With the knowledge you have of the **Rabbit Hemorrhagic Disease(RHDV2)**, does your family plan to enter and exhibit eligible rabbits at the Kansas State Fair in the 4-H Rabbit Division in 2020?

- Yes
- No
- Not Sure

Since you answered yes, how many rabbits would you estimate that your family will enter and bring for the 4-H Division?

Since you answered no, how many rabbits would your family have planned to enter and exhibit in the 4-H Division at the Kansas State Fair?

Since you answered maybe, If you decide to take part, how many rabbits would you estimate that your family would enter and bring to the 4-H Division of the Kansas State Fair?
