International Travel Provisions

A. International Flights

- a. Applicants will designate two local airport options as their preferred airports for air tickets. States' 4-H will purchase air tickets on the designated program dates at their discretion, based upon flight routing and flight cost. Airline tickets are issued in mid- to late-February.
- b. Prior to final flight purchase, program travel dates may fluctuate 1-2 days based upon flight availability.
- c. In the event that an applicant's preferred airports cannot be accommodated (based upon airport location, flight cost, scheduling, routing, or other exception), States' 4-H may use an alternate airport within approximately 100 miles of the applicant's home address for international travel.
- d. Flights may depart as early as 5:00 AM and return as late as 12:00 AM.
- e. **Airfare is non-refundable and non-transferable once issued.**
- f. Flights will be booked using the applicants **full name** and **date of birth** as indicated on page 3 of the Outbound application. It is the applicant's responsibility to ensure that their name and date of birth *exactly* matches their passport. In the event that an applicant does not yet have a passport at the time of application, they should ensure that they apply for one using the *exact* name that they recorded on the application. Any additional airfare and/or ticket change fees that occur as a result of an incorrect name/date of birth are the responsibility of the applicant.
- g. Applicants **MUST** adhere to international itinerary purchased on their behalf by States' 4-H. Applicants may not 'extend' their travel or modify their itinerary in any way.
- h. Applicant's airline miles cannot be used to purchase flights.

B. Baggage Policy

Applicants are required to bring only one checked bag during international travel. All checked baggage fees incurred on domestic and/or international flights are the responsibility of the applicant.

² During national departure orientation and/or arrival orientation, two delegates of the same gender may share a bed. If either the applicant or the natural parents are uncomfortable with this arrangement, they must notify States' 4-H in advance and agree to pay the cost difference for a single bed. Roll-away beds may be available in select hotels.

The insurance coverage is limited to a \$250,000 maximum medical expense per person. The applicant is responsible for any medical expenses above and beyond, including coverage determined to be in excess of *reasonable and customary*, as defined by the insurance provider. **Program insurance does *not* cover preexisting conditions nor the treatment of mental and nervous disorders.**

The applicant is required to follow the States' 4-H Safety Guidelines at all times. The Safety Guidelines are based on the insurance coverage rules and exclusions. If the applicant is injured in a prohibited activity, the applicant and/or their family will be responsible to pay for the resulting medical bills.

Vaccinations

States' 4-H requires that all applicants have routine vaccinations³ completed prior to travel. In the event that a separate vaccination is required for entry into a country of travel, applicants must also receive that appropriate vaccination prior to international travel. For all other vaccinations, States' 4-H recommends that applicants consult their physician and follow the guidance of the Center for Disease Control (CDC) for their destination country.

In the event that an applicant does not receive vaccinations due to personal or medical reasons, they must complete a vaccination waiver form prior to international travel. Please note that some international partners may require some specific vaccinations for international travel.

Host Family Placements

In their application, applicants may request to be placed with a specified host family in their preferred country of travel (“docking request”). While every effort will be made to place the delegate with the requested host family, please note that this placement is not guaranteed.

International partner organizations make every effort to successfully place delegates with host families. In rare cases, delegates may have substantial medical conditions that present unique challenges and/or require unique knowledge or experience on the part of the host family to ensure the delegates’ safety and well-being while abroad. In rare cases, medical conditions may result in late placement or non-placement of the delegate if the care required is above and beyond what a host family can be expected to provide.

In the case of specific medical conditions and/or allergies, States’ 4-H will request additional supplemental medical information as required by our partner organizations.

Secondary Selection of Applicants

Some programs may have minimum and/or maximum group size nationwide. In the event that the number of program applications exceeds the hosting capacity in an outbound country, States’ 4-H will review and select finalists based upon an application scoring rubric provided to each State Coordinator.
