

Kids n' Horses News

FALL Has Arrived!

Howdy to all the 4-H Horse Project members in Kansas!

This is the October, 2018 edition of the Kids n' Horses Newsletter to help keep you informed about 4-H Horse events happening around the state; AND give you a little educational information too!

Congratulations to those who placed at the Kansas State Fair 4-H Horse Show! And good job to the others for qualifying to go! You should be proud!

The Kansas 4-H Horse Show Rule book is posted online at <https://www.bookstore.ksre.ksu.edu/pubs/S133.pdf> !! Be sure to make yourself familiar with it before you attend 4-H shows; especially the KSF 4-H Horse Show. This rule book will be used at District & State 4-H Horse Shows. There are several rule changes; please read it carefully. To get a copy, contact your local Extension Office or the Kansas 4-H Horse Show Rule Book.

It's October 1st, so you can complete and submit your 4-H Horse ID Certificate for the 2018-19 4-H year. Reminder: This form should be printed on 1 piece of paper with the photo of the horse attached.

If you have questions about the how to get started with your 4-H Horse project, please see the article on page 5 of this newsletter.

If you would like to submit an article or have a horse event you would like to publicize, please e-mail that information to Jean at jhuntley@ksu.edu.
Happy trails and safe riding!

New 4-H Year....What Do I Need To Do for my 4-H Horse Project

With the new 4-H year beginning October 1, 2018, there are a few things you need to do to get started off on the right hoof with your 4-H Horse project.

1. Enroll for 4-H through 4HOnline at <http://ks.4honline.com>. Be sure to follow the directions throughout the enrollment process.
2. Go to <http://www.kansas4-h.org/projects/animals/horse.html> and download the Horse ID Certification or use the ID from 2017-2018. Complete this form and print it front and back on one sheet of paper. Be sure to attach a picture to the back of this form. The 4-H'er, parent, and Extension Agent needs to sign and date this form. The local Extension Office needs to keep a copy of the form; the original needs to accompany the 4-H'er. This form will need to be taken to all 4-H horse shows and shown at check-in time for events such as the 4-H District and State Shows. (Attached is a sample.)
3. On the 4-H Horse web page (address is above), download the current Kansas 4-H Horse Show Rule Book revised 2018. These rules will be followed at all 4-H Horse Shows, including 4-H District and State Shows.
4. If you are interested in showing at the 4-H District and State Shows, download the Kansas Standard of Excellence Horse Achievement Level I booklet. Complete the booklet, and the Leadership section (section 2 of the booklet). Take the booklet to your local Extension Office. The 4-H'er, parent and Extension Agent must sign the front page. The front page and Leadership section (section 2, page 14) and \$10 will be sent by the Extension Office to the Kansas 4-H State 4-H Office.
5. The 4-H'er must complete a written exam that can either be done on line or sent by

the State Office. The exam needs to be proctored by the Extension Agent or 4-H Horse Leader (preferably not the 4-H'er's parent). The State Office will send pass or fail notification of written exam. If the exam must be retaken the 4-H'er must send an additional \$5 to the State 4-H Office.

6. Once 4-H member passes the written exam portion of the Achievement Level, the 4-H member needs to visit with the 4-H Horse Project Leader to verify if he/she needs contact the Achievement Level tester or the 4-H Horse Project Leader will contact Achievement Level tester for the Horsemanship Skills test. It shall be the responsibility of the Achievement Level tester to send the State 4-H Office the results of the Horsemanship Skills test; however double checking with the tester would be a great idea.

Note that Achievement Level Testing must be completed before the District 4-H Horse Show deadline in order for a 4-H member to participate.

If you have questions, please don't hesitate to contact your local Extension Office. If Agents, have question, they need to contact the State Office.
