

Sherman County 4-H Shotgun

SHOTGUN STATE QUALIFIER

Trap • Skeet • Sporting Clays

SUNDAY, AUGUST 16, 2026

Goodland Gun Club • Goodland, Kansas

North of Goodland at Intersection of Hwy 27 and North Caldwell

SKEET starts at
8:00 am (MST)

TRAP starts at
8:30 am (MST)

SPORTING CLAYS starts after completion
of Trap & Skeet (Est. 1:30pm)

Trap practice rounds will be offered between 7:30-8:15 am (MST). \$7 per practice round.

\$20.00 for Skeet

\$20.00 for Trap

\$30 Sporting Clays

*50 clays with a state qualifying score being **30 hits out of 50**.

*Tiebreakers use reverse order. Using the score sheet for hits and misses starting at the last target and counting to the first target, the shooter with the longest continuous run of hits wins the tiebreaker.

*Current NSSA and 2026 Kansas State Match Rules apply.

*50 clays at 16 yards with a state qualifying score being **35 hits out of 50**.

*Individual tie breakers will be broken by shoot-offs starting at 21 yards and move back in 2-yard increments to 27 yards as needed. Each competitor will shoot two clays per station. Shoot-offs will be held immediately after the last trap squads.

*Current ATA and 2026 Kansas State Match Rules apply.

SPORTING CLAYS

*50 clays at 10 station course.

*Non qualifying event.

*NSCA Rules will apply.

*Tie Breaker will be determined by specific stations designated by Club.

AWARDS

Junior Division (10–13)

Senior Division (14–18)

Overall Team

Awards will be given to the top three competitors in each division in each event.

Overall team scores will consist of grand aggregate of trap and skeet of the top 5 competitors from each county.

Participants must be 4-H age 10-18 before 1/1/26

- Squad times will be emailed to contact listed on registration form prior to event. **Only one person per county for event check in.**
- Eye and ear protection required for anyone past the ready line. Audio headphones/earpieces will not be permitted on the firing line or range.
- Provide own shells. New shells not larger than 12 gauge with a maximum shot size of 7 1/2 lead shot and maximum shot charge of 1 1/8. **NO RELOADS.**
- No barrels resting on toes, foot, or pointed at any part of the body. A shell catcher must be used on semi-automatic shotguns.
- During each session, individuals should place second box of shells on table behind the scorer. A short break is allowed to retrieve the second box of shells and to hydrate. Individuals should not leave the range during the session.
- Concessions will be available.

EMAIL COPY OF REGISTRATION FORM BY AUGUST 10TH.
