

The 4-H Interview

Please refer to the Kansas 4-H Award Portfolio (KAP) Interview Evaluation for scoring guidance and areas to include in your video. Your video should be creative, unique, and an extension of the KAP application.

You may also use the following question prompts when creating your video.

- Share why you would be an ideal candidate for a KAP.
- What do you see as your key successes in exploring the project area?
- Provide examples of how you have exhibited or developed skills in leadership in the projects or programs related to this project area.
- Provide examples of how you have engaged in civic engagement activities related to this project area. How has it impacted your personal growth?
- Explain how your 4-H experiences in this project area have helped you reach your personal goals.
- How do you think your 4-H experiences in this project area will benefit your future plans?
