You have been given this survey because you have participated in a 4-H program or project and 4-H would like to learn about you and your experiences in the program. This will help us improve this program and future programs. Your answers are important and they will be kept private. Therefore, any information that can identify you will be removed. If you don’t want to fill out the survey, you don’t have to. If there is a question you don’t want to answer, you can leave it blank. There are no right or wrong answers, so please answer all questions honestly. The survey should take you no longer than 15 minutes to complete. Should you or your guardian have any questions about this survey or your rights, you may contact Dr. Sarah E. Maass, semaass@ksu.edu, 785-309-5850.

Circle the response that most closely represents your thoughts about each statement or question.
